#### Terms of Service

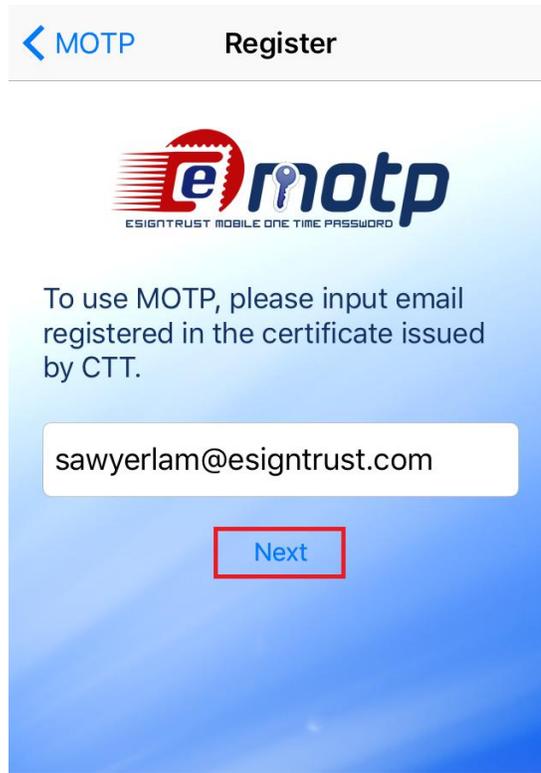

YOU MUST READ CAREFULLY THE TERMS AND CONDITIONS OF THIS TERMS OF USE (HEREINAFTER AGREEMENT), BEFORE APPLYING FOR, ACCEPTING OR USING «eSignTrust MOTP» (Hereinafter eMOTP). IF YOU DO NOT AGREE WITH THE TERMS AND CONDITIONS OF THIS AGREEMENT, DO NOT APPLY FOR, ACCEPT OR USE A Macao Post and Telecommunications Bureau eMOTP.

By submitting, sending or presenting eMOTP request, subscriber recognizes having read and understood the terms

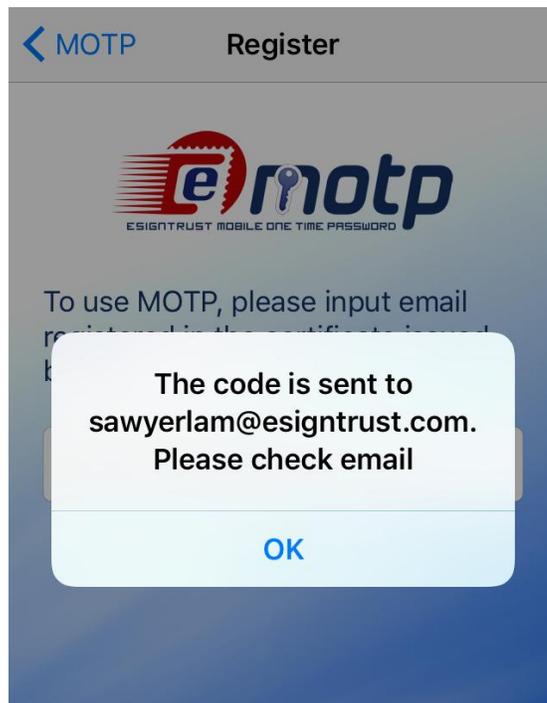

Agree above Terms of Service

Agree

2.1.2. Input the email address registered with user’s certificate then click “Next”.

2.1.3. System will check if user’s email is registered with a certificate or not, if yes, system will pop a message showing the code is sent.

2.1.4. User may receive an email like this. Enter the code to register within one hour. If the code is expired after one hour, user may need to request again.

System has received a verification code request for your email: [sawyerlam@esigntrust.com](mailto:sawyerlam@esigntrust.com)

This code(103551) will work for 1 hour.

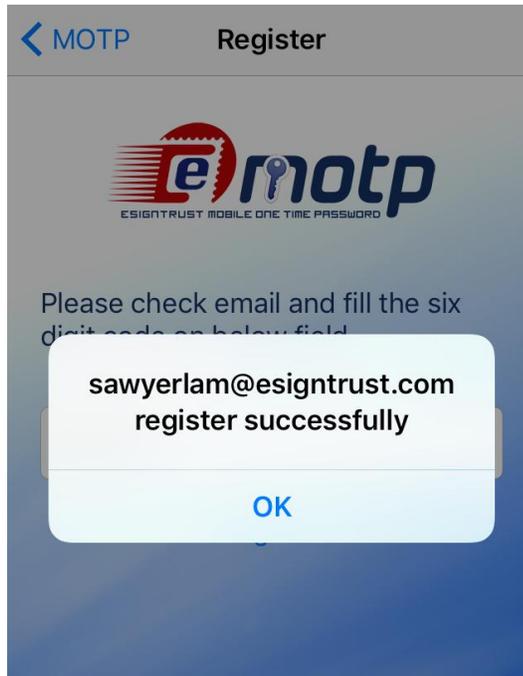

If you did not ask to request the code, then please ignore this email. Another user may have entered your email by mistake. No changes will be made to your account.

Sincerely,  
[eSignTrust](#)

2.1.6. Input the registration code from user's email, then click "Register".

The image is a screenshot of a mobile application interface. At the top, there is a navigation bar with a blue back arrow and the text 'MOTP' in blue, and a 'Register' button in black. Below the navigation bar is the eSignTrust logo, which consists of a red and blue graphic followed by the text 'e motp' and 'ESIGNTRUST MOBILE ONE TIME PASSWORD' underneath. The main content area has a blue gradient background. It contains the text 'Please check email and fill the six digit code on below field' in black. Below this text is a white text input field with the number '103551' entered. At the bottom of the input field is a blue 'Register' button, which is highlighted with a red rectangular border.

2.1.7. System will pop message if register success.

2.1.8. And receive an email like this.

This email confirms your MOTP account(sawyerlam@esigntrust.com) register/update successfully.

Sincerely,  
[eSignTrust](#)

2.1.8. User may see OTP code at front page after registered.

## 3. Using OTP

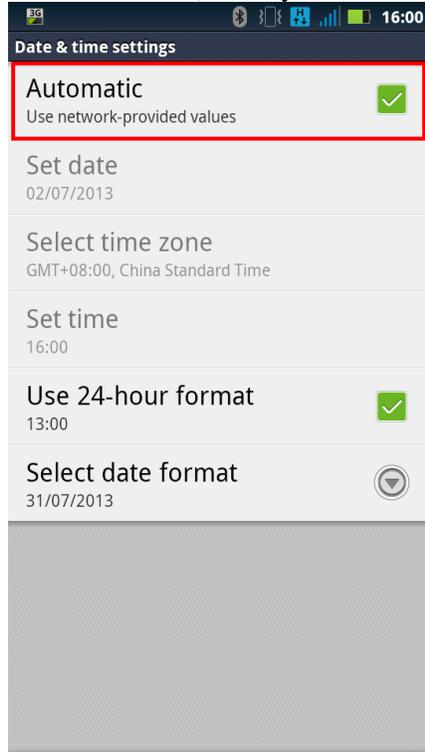

### 3.1. Before Use

- 3.1.1. Be sure that the “Set Automatically” of the “Date & Time” option is on, so user can use this app normally at any time zone.

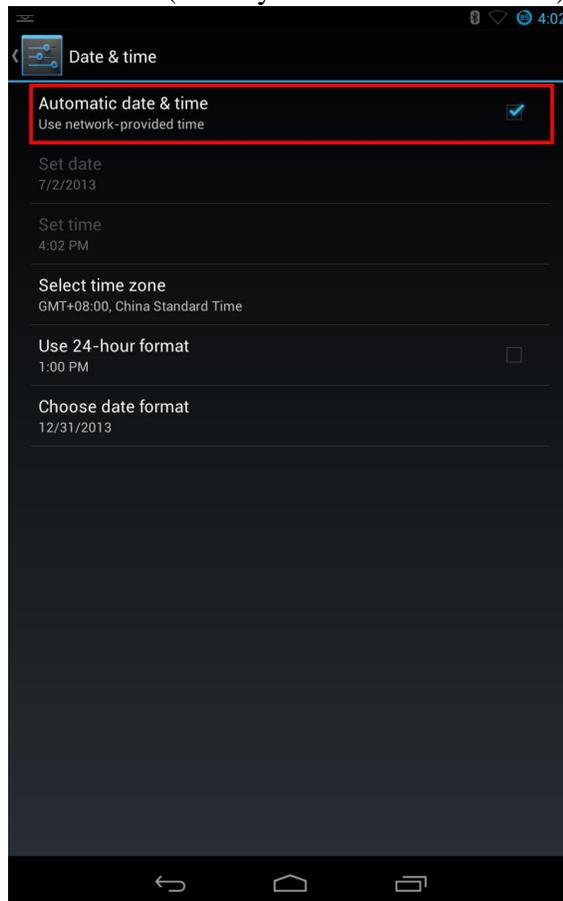

iPhone: Settings → General → Date & Time

Android 2.3.\* (UI may have little differences): Settings → Date & Time.

Android 4.\* (UI may have little differences): Settings → Date & Time.

3.1.2. (\*"Set Automatically" for system time is recommended) If user set the time manually, although user will receive the below message if the time error between user manual set and server exceed 3 minutes, user can use it as normal.

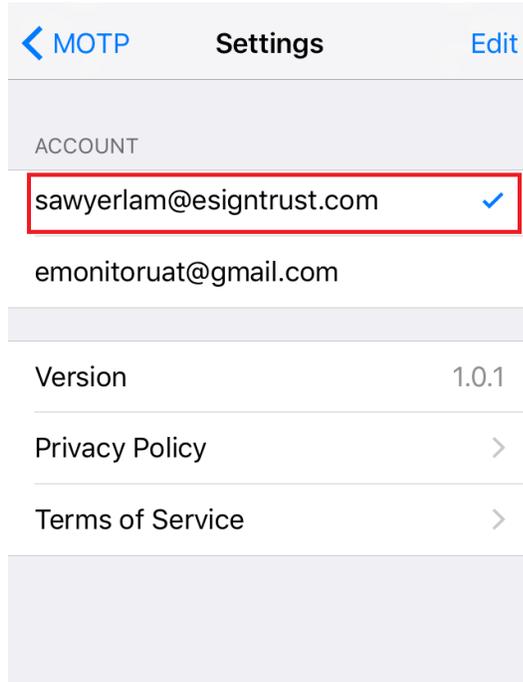

3.1.2. Click the setting button at the top left corner of the screen.

## eSigntrust Mobile OTP System – User Guide

3.1.3. Ensure to choose user authentication account. If not, back to 2.1.1 to register.

3.1.4. Back to front page, user can start using it now.

### 3.2. Time Counter

3.2.1. Every OTP code can live only 60 seconds, at the home screen, there is a time counter to let user know how much time left of the displaying OTP code.

- (1) Time passed.
- (2) Time remained.

There is 10 blocks construct a circle as a time counter, every blocks remain 6 seconds, turns to grey from blue after 6 seconds passed, and the order is clockwise. After 60 seconds passed the OTP code and the time counter will be renewed.
